

Foundation Day Celebration

"On this Foundation Day, let's celebrate the milestones achieved and the dreams yet to be realized."

Little Flowers International School commemorated its 49th Foundation Day, coinciding with the birthday of its esteemed founder director, Mrs. C.M. Patel, affectionately known as Badi Ma'am.

The celebratory occasion saw vibrant performances by students, showcasing their talents and enthusiasm. Additionally, a special performance was dedicated to Mother's Day, highlighting the importance of maternal figures in students' lives.

With each passing year, the school reaffirms its commitment to excellence in education and looks forward to many more years of nurturing a supportive environment for its students to thrive academically and artistically.
