

## Mother's Day Celebration

"A mother's love is the foundation upon which a child builds their future."

At Little Flowers International School, Mother's Day was celebrated with heartfelt crafts crafted by students for their mothers, expressing gratitude and love. Additionally, a cultural program was presented by the students, showcasing the emotional bond with the mothers. The event celebrated maternal figures and highlighted the importance of their nurturing presence.

Students' creativity and gratitude illuminated the occasion, cultivating a sense of appreciation and familial bonds within the school community.
