

## World Book Day

“A book is the device to ignite Imagination, a dream that we can hold in our hands, a conversation to ourselves”.

Little Flowers International School observed World Book Day to promote reading, aligning with the 2024 theme "READ YOUR WAY". Students from Grades VII to X engaged in various activities including book cover and poster making, slogan writing, and story illustration. They utilized eco-friendly materials to craft aesthetically pleasing posters and book covers, accompanied by thoughtful quotes emphasizing the significance of reading. These activities not only fostered creativity but also underscored the importance of literature in education. The event exemplified the school's commitment to promoting literacy and environmental consciousness among its students.
