

Special Assembly on Health and Hygiene

"Healthy habits today lead to a happy life tomorrow!"

Students from Nursery to 2nd grade at Little Flowers International School organized a lively Morning Assembly focused on promoting good health and hygiene. It began with a sincere prayer, followed by presentations like poems, speeches, and slogans to raise awareness about cleanliness. They highlighted the importance of washing hands properly to prevent diseases and showed different ways to stay healthy. Their active participation inspired others, nurturing a culture of wellness and learning for a better future.

Health and Hygiene

Protect Yourself and Others from Harmful Bacteria!
