

ISA ACTIVITY-5

ANIMALS AROUND THE WORLD (IN-HOUSE)

“The greatness of a nation can be judged by the way its animals are treated.”

ISA animal mask making and coloring worksheet was taken under the activity “ANIMALS AROUND THE WORLD”. All the students of K.G., I and II were very energetic during this activity. ISA animal mask making and coloring worksheet was taken under the activity “ANIMALS AROUND THE WORLD”. All the students of K.G., I and II were very energetic during this activity. It made them more resourceful and versatile.

A presentation along with the quiz session was conducted. The students were shown ppt on national animals of India, USA, Finland and Australia. This presentation provided knowledgeable information about their young ones, habitats, food habits, etc. There was a quiz session which was very interactive only because of the participation of the students. The students interestingly solved various questions based of animals.

The young dazzlers of classes I and II visited Delhi Zoo. They loved witnessing the wonder and amazement. This visit to the zoo helped our students co-relate the concepts they had been learning in class with real life experiences gathered at the zoo.

The students of classes I and II presented a skit based on animals. The students enthusiastically participated and presented their characters very well. Their message was to spread awareness among the society to be kind towards animals and save their natural habitat.

With the objective of developing cognitive skills of the students, worksheet had been taken. The students were given a worksheet containing various animal related questions. It helped to improve their competitive spirit and time management skills.
